***CONSOLIDATED CARPET CELEBRATES 65 YEARS OF SUCCESS:
A TRADITION OF QUALITY FLOOR COVERING SERVICE***

NEW YORK—March 30, 2009—Consolidated Carpet is pleased to announce its 65th anniversary in the floor covering business. A third-generation, family-run company, Consolidated Carpet has grown into one of the nation's largest and most recognized full-service flooring and floor covering contractors.

Founded by brothers Tom and Leif Meberg, Consolidated Carpet has earned a strong reputation as a quality floor covering service provider. With a team of hard-working, skilled craftsmen, the company has continually met the growing demands of the industry. After 30 years of operation, Tom and Leif Meberg passed the business on to their sons, who were both actively involved in company operations. Tom's sons, Tor, Arne and, and Leif's son, Lloyd and Thomas grew the family business into the largest installation workroom in the New York metropolitan marketplace. By the early nineties, Tor, Arne, and Bud Meberg turned the business over to their sons. Arne's son, David, and Tor's son, Paul took over the management of the company in 1992. In 1994, they expanded Consolidated Carpet into the product sales market, experiencing annual double-digit growth ever since.

Recently, Consolidated Carpet moved its operations center and warehouses from Brooklyn, New York to an 80,000 square-foot space in Carlstadt, New Jersey, while maintaining company headquarters in Manhattan. The new facility features a product furnished and installed by Consolidated Carpet on every part of the exposed floor, as well as a warehouse showcasing various flooring systems. The company's continued growth and expanded services in self-leveling and poured surface finishes serves as a tribute to its ability to adapt to changing industry demands and evolving technologies.

Consolidated Carpet has gained further recognition for its completion of some of the largest and most complex floor covering projects in the industry, including the new Citi Field stadium, and Bank of America Tower at One Bryant Park. Consolidated serves clients that include Fortune 500 companies, professional service firms, luxury hotel properties, institutional properties, real estate owners and general contractors. Building on the strong base established by its founders, leadership and highly-skilled employees, Consolidated Carpet is gratified to celebrate 65 years of success, and is committed to maintaining its determined vision for the

future.
