***CONSOLIDATED CARPET DONATES SUPPLIES TO THE BOYS AND GIRLS CLUB OF
CAMDEN COUNTY FOR RENOVATION***

CARLSTADT, N.J. – November 21, 2011 – Consolidated Carpet proudly participated in the recent renovation of the Boys and Girls Club of Camden County’s game room. Consolidated’s involvement came in the donation of over 5,500 square feet of VCT tile flooring, cove base and adhesives for the space. The gray and white Mannington and Armstrong VCT tiles and other materials are valued at over \$6,000.

Working with the New Jersey Carpenter Contractor Trust (NJCCT) and the Floor Covering Institute of New Jersey (FCINJ), Consolidated Carpet of Carlstadt, New Jersey joined the initiative, continuing their long-standing commitment to the community. Together, the three organizations achieved an exceptional level of teamwork to create new flooring for the benefit of the children of the Boys and Girls Club of Camden County.

According to the Boys and Girls Club of Camden County, nearly 150 students attend the Parkside Clubhouse every day after school, with the game room at the forefront of popularity for the children aged 6 – 18. The highly trafficked room now sports a great new floor, which Consolidated Carpet hopes will give the students a place to continue to thrive.
